	per afternoon session	£0.00 (with 3 hours of Free Early Education)

Free Early Education Entitlement

Marlborough House School is an Early Years provider and is registered as such with Kent County Council (KCC) as a provider of Free Early Years Education for 3 and 4 year olds. All children, in the term following their 3rd birthday until and including the term in which they reach their 5th birthday, are eligible to receive a maximum of 570 hours Free Early Years Education per year (15 hours per week for 38 weeks) regardless of parental income. At Marlborough House we are, however, unable to offer the full 570 hours each year, due to our term dates – during 2023/24, we can provide 32 weeks of KCC funded Early Years Education. Please note, that it is not possible to claim the difference or missed hours at another setting if you are claiming the full 15 hours universal entitlement with us. However, parents who do not use their full universal 15 hours with Marlborough House may claim the difference through another registered provider but this must be clearly marked in the relevant section on the Parental Declaration Form.

A fully-funded place for a child accessing the 15 hours entitlement can be provided in separate sessions from 12.30pm – 3.30pm, 5 afternoons per week subject to availability. No registration fee or deposit is payable for children accessing only fully-funded hours.

Fees may be adjusted in arrears to reflect allowable claims by KCC and sessions attended. Marlborough House School reserves the right to withdraw from the scheme at any time and will endeavor to give one term's notice of our intention.

*** Reception Fees with Free Early Education**

Depends on the length of the term and the number of full weeks eligible at 15 hours per week for Free Early Education. The lowest fee is for the autumn term where there are 12 eligible weeks.
