HOUSE SCHOOL EST 1874

ENJOYING TODAY, EDUCATING FOR TOMORROW

Welcome to Marlborough House, a country Prep school with a distinctly family feel; small enough for everyone to be known and cared for, whilst still embracing the future that our children will be part of.

Every child is encouraged and supported to unlock their potential and discover what really inspires them to learn and succeed. We prepare children, in the widest sense, for the next stage of their educational journey and life beyond Marlborough House; educating characters as well as minds.

I hope you enjoy our Prospectus and are able to gain some insight into our values, academic achievements and vision. I look forward to welcoming you to our school so that you can see first-hand what makes Marlborough House so special.

ENJOYING TODAY, EDUCATING FOR TOMORROW

I like how friendly everyone is and how everyone treats each other with respect, and how we are like a family.

MHS has taught me that there will always be someone there to talk to and to be fearless and just go for it.

MHS has taught me never to give up, to keep trying and to give everything a go, even if you're not sure.

I always had people supporting me and I have the best friends in the world, we are friends for life.

I have learnt to always be myself and to work hard for what I want to achieve.

MHS has taught me to work hard, aim high and have fun in the process.
